PROFESSIONAL SUMMARY

Bilingual Film Production student and Philosophy, Politics, and Economics graduate with a track record in high-stakes international operations. Skilled in financial modeling, production logistics, and market analysis, with proven ability to align creative vision with financial targets. Seeking a role in production, acquisitions, or distribution.

EXPERIENCE

Production & Development Intern

Aug 2026 – Dec 2026

Dolphin Entertainment

Miami, FL

- Prepared script coverage for feature films, television pilots, and books.
- Researched creator-led studio partnerships to support development and production planning.
- Built above-the-line and casting databases for The Woman Who Saved the Children, Crush Party, and Forget-A-Moon.

Senior Operations Manager, Office Launch Team

2022 – 2024

OVRSEA

Barcelona, Spain

- Facilitated 100+ large-scale international projects for high-profile accounts, including LOEWE and Louis Vuitton, managing logistics at a scale comparable to global distribution operations.
- Analyzed operational metrics to build workflow models for a new market launch, resulting in a 60% increase in service quality as measured by client satisfaction scores and on-time delivery rates.
- Secured contracts with 15 key suppliers, improving supply chain efficiency by 25%.

PROJECTS

Bonds (Student Capstone Short Film)

Jan 2026 – Dec 2026

Producer & Sound Editor

- Built detailed financial and scheduling models for a 30-person crew by analyzing complex script breakdowns.
- Synchronized creative vision with logistics to maintain a strict 3-day shooting schedule.
- Raised \$2,000 through crowdfunding and private donors to secure production capital in under 2 months.

Mi Tierra (Documentary Short)

Jan 2025 – May 2025

Writer, Producer, Director & Editor

- Executed a two-part documentary, overseeing 100% of research, interviews, and narrative structuring.
- Recognized as the top documentary project in the course for superior production value.

CERTIFICATIONS

- Certified Production Assistant, Broward County Film Commission
- Film & TV Industry Essentials, New York University
